CONSEQUENCES OF NON-COMPLIANCE

The Governors have requested that the Headteacher and Staff at the school, monitor compliance with this policy on a daily basis.

- Parents of any children appearing at school with the wrong uniform on will be contacted with a request made to put it right.
- If there is any reason, at any time, that your child is not in correct uniform, it is the responsibility of parents to inform the Headteacher.
- The Headteacher will contact parents if no explanation is available.
- This initial discussion will be followed by a written formal warning.
- If all attempts to attend to incorrect uniform have been ignored, the child will be excluded.
- Obviously this is not an option that the Governors would like to choose so we ask for your support in ensuring this does not occur.

Thank you for your support.
